Download the New Mobile Banking App

Access your accounts quickly, securely and on the move with our new mobile banking app.

The new app is now available for download in both the App Store and Google Play. Search "Fort Financial" to find the app. You will be able to enroll in mobile banking right from your phone or iPad. **You will need to select "New User" even if you are currently enrolled in online banking or the current mobile app.**

The current mobile banking app will remain available until October 28th. However, we encourage you to download the new app and begin using it right away. With it, you can:

- Deposit checks and pay bills with a photo.
- Initiate manual bill payments.
- Seamlessly transfer money between your Fort Financial accounts.
- Transfer money to a friend or an account outside of Fort Financial.
- Stop checks.
- Set notifications to alert you to activity on your account.
- Sign up for text banking directly in the app.
- Reset your login credentials from the app, without needing to contact us.

With the app's Your Wallet, you can create and track a budget, set spending and saving goals, tally your net worth, and more for all of your accounts - even if they aren't Fort Financial accounts!

We hope you will find the new mobile banking app to be a convenient way for you to stay on top of your accounts.

If you have any questions, please contact us at (260) 432-1561 or stop by your nearest Fort Financial branch location.
