New Online Banking To Better Serve You

We're making improvements to our online banking system in order to bring you easier accessibility, expanded features and greater control of your finances.

By Monday, October 9, you will be directed to our new online banking system. If you are enrolled in our mobile app, you may use that ID and password for both the mobile app and new online banking access now. If you have not used the mobile app, you may register as a "new user" when signing into the new online banking site for the first time and begin using it now.

By October 9, any recurring transfers, bill payments and bill pay payees set up on the old online banking system will automatically be transferred to the new system. Additionally, any information you have set up through the mobile app will continue to appear on the new online banking site.

Online banking will not be accessible the evening of Friday, October 6, while new payments or payees will not be allowed in the old system after Sunday, October 1. Recurring transfers and bill payments already scheduled during this time will be processed as usual.

The new online banking site is identical in look and function to the mobile banking app and gives you new functionality, including:

- **New Bill Pay System:** Synced with the FFCU mobile app and Picture Pay.
- **Picture Pay:** Set up bill payments by snapping a picture of your bills.
- **External Transfers:** Transfer funds to/from accounts at other financial institutions.
- **Credit Card Access:** Access your FFCU credit card history and make payments.
- **Your Wallet:** Manage and track your budgets and assets.

If you have any questions, please contact us at (260) 432-1561 or stop by your nearest Fort Financial branch location.

Stay tuned for more information prior to our conversion.

2017 Scholarship Recipients Selected

Each year, Fort Financial Credit Union awards up to \$5,000 in scholarships to high school seniors or students who are currently enrolled in college and who plan to continue their education through an undergraduate degree program or certification from an accredited college, university or technology school.

After reviewing all of this year's applications based on the students' academic performance, character, involvement in their communities and schools and financial need, the Fort Financial Scholarship Committee selected two scholarship awards winners:

- **Olivia Roth** — \$3,000. Olivia attends Taylor University in Upland, Ind.
- **Jordan Bridges** — \$2,000. Jordan attends Purdue University in West Lafayette, Ind.

The Scholarship Committee would like to thank all of this year's applicants for taking the time to apply for this year's scholarship award. We wish all of the applicants much success with their college efforts and encourage all eligible high school graduates and college students to apply next year.
